# Courses Taught in Summer Semester

---

## **Self Study Options in Art History**

In some cases students are required to work in groups on projects and assignments together. Self study involves independent working, you will need to spend time reading, researching, revising and making notes outside of lectures and seminars. Self study is an option for foreign students who cannot attend lectures and/or seminars taught in Czech language only. Our academic staff offer consultations in several languages. Detailed information can be found in the list of subjects.
