Accommodation at Charles University Halls of Residence

Charles University offers to its students accommodation at the Halls of Residence.

The allocation of rooms is the responsibility of the management of the hall of residence - if you wish to share a room with a friend or schoolmate, please ask the accommodation office (at the reception) upon your arrival.

Accommodation will be provided for the period corresponding to your study stay at Charles University. It is usually available approximately one week before the beginning of the semester/study period and students do not need to make any special request to move in during this week. You will be notified of the details of your accommodation on a voucher that you will receive together with the Letter of Admission.

Please contact erasmus@ruk.cuni.cz if you have any queries or need any help.
