Prague, 21st November, 2024

International Relations Office of the CU Rectorate announces a call for POVIM fund (support for virtual mobility) for the summer semester 2024/2025.

### Information:

- The POVIM fund is intended for CU academic staff who teach a course open to virtual mobility (VM), and administrative staff who take care of the administration and management of VM at CU as part of their agenda.
- Financial support is a one-time benefit to be received with a salary.
- The faculty submits a single application for all its applicants via the electronic records management system (ESS), noticing the three-level priority of all courses (categories 1 and 2). The addressee is the head of IRO CU.
- Only courses open in the summer semester 2024/2025 may receive funding.
- 4EU+ Shared Courses and Open Courses can apply. For an Open Course applying for POVIM, the syllabus in SIS has to be completed by 10th December.
- The categories and the amount of support are:
  - 15.000 CZK for academics who create a new course open for virtual mobility,
  - 7.500 CZK for academics who maintain a previously taught course open for virtual mobility and they open it repeatedly,
  - 7.500 CZK for administrative staff managing virtual mobility.

### Process:

The faculty ensures the distribution of the information and arranges an internal selection procedure, dividing the applications into three groups of priorities. Approved applications are to be submitted by the faculty in a single application for all its applicants via the electronic records management system (ESS), the addressee is the head of IRO CU. The deadline is 10th December.

The results will be announced after the central selection at the beginning of January. The money will be transferred to faculties in February (after a notice that all selected courses are taught).
