### Practical Hints

1. Seek the book or the topic you want so that you will not get lost while browsing.
2. Academic criteria - Is the book reliable?
  - Check the author or the publishing house.
  - All more recent titles should be peer-reviewed.
  - A scientific book should cite its sources.
3. While Googling add *filetype:pdf*

### Temporarily available

Institute	Database	Access till

## Teaching Databases of CTF

These projects were developed in the Institute of Christian Art with support from the Czech Ministry of Culture and Charles University. They are aimed primarily at our students. However, the general public can also benefit. At least a basic knowledge of the Czech language is required. You may try google translate, though.
