# The "New Trinitarian Ontologies Panel" of the European Academy of Religion

---

The "Trinitarian Ontology of the Human Person" project research team will co-organize with partners from the University of Cambridge (Ryan Haecker), the University of Nottingham (Prof. John Milbank), and the Freiburg University (Prof. Markus Enders) the forthcoming "New Trinitarian Ontologies"; of the European Academy of Religion 2021. Among the others speakers including Prof. Markus Enders, Prof. John Milbank or Dr. Valentina Gaudiano, the Faculty members Dr. Petr Macek (KTF UK) will present the paper entitled "Trinitarian Ontology as a Protection against Ideology and Idolatry. Contribution of Ctirad V. Pospíšil to the Trinitarian Ontology of Persons in Society", and Eduard Fiedler (KTF UK) will present the paper entitled "Children of the Trinity: Trinitarian Ontology and Metaphysics of Childhood".

**Conference will be held on Tuesday 31 August in Münster (Germany).**
